

Advanced .NET MAUI

Jesse Liberty, Microsoft MVP

Topics

- Selecting DataTemplates At Runtime
- Managing Visual State
- Validation (two approaches)
- Triggers
- DataStorage
 - UserPreferences
 - SQLite
- Consuming REST Service

When VS Is Weird

- It happens. Either perfectly reasonable code won't build, or the app behaves as if the changes you made never happened.
- Close Visual Studio
- Delete bin and obj folders
- Restart VS
- Clean
- Rebuild all

A word cloud featuring the phrase "Thank You" in multiple languages: English, Spanish, French, Italian, German, and Japanese. The words are arranged in a dense, overlapping pattern. The colors used include red, orange, yellow, green, blue, and black. The font sizes vary, with some words being significantly larger than others. The background is a solid light blue.

A word cloud featuring the phrase 'Thank You' in multiple languages: English, French (Merci), Italian (Grazie), Spanish (Gracias), and German (Danke). The words are arranged in a dense, overlapping pattern, with some appearing in large, bold fonts and others in smaller, more numerous instances. The colors used include red, blue, green, yellow, and black, creating a vibrant and celebratory visual effect.
